 Jim Partyka repaired the urinal in the Fellowship Hall's men's bathroom. Fortunately there was no damage to the wall. Jim replaced the gasket and Larry Szalankiewicz got a deal from his boss

and replaced the vanity and sink.

Larry picked up a hot water and expansion tank for the annex, and on Tuesday Jim replaced those units. He said in 50 years he's never seen a hot water tank with black sludge discharge. The hot water should be run periodically to reduce this type of buildup again since no one is bathing over there. We're waiting for a few bids to replace the preschool doors inside and out.

Campbell Motors replaced the rear shocks on the van.

Lisa Opfar texted me about mouse droppings in the food pantry office and HUGE bees around the van and mower garages that were intimidating the visitors. Bee Control came to eradicate the carpenter bee population.

June 2020

Looking for Volunteers for Sanitation Team. A sanitation team is being formed to disinfect the sanctuary, welcome center and restroom after the 8:30am service on Sundays, so that we can go back to having 2 services on Sunday mornings.

The plan is to begin having 2 services again on July 5th. Sanitation training will be provided. Many hands make light work. We hope to develop a rotation schedule so you won't have to do it every Sunday.

To volunteer please contact Nancy Denardo by phone or text at 412 780-8636, or by email atndenrn1@comcast.net

Preschool Graduation

On Saturday, June 13th, 26 students graduated from the PVUMC Christian Preschool at the Preschool Parking lot. Miss Brenda and Miss Tammy conducted an alternative graduation plan that had each student come individually in a given time slot. Each child received a diploma while Miss Brenda read a personal story about the student and their achievements. Additionally, students received a goodie bag, a "Congratulation" balloon and a sweet treat. Time was given for photos under the decorated canopy. The weather was beautiful. It was a celebration to mark the end of Preschool and a start into the next educational step, Kindergarten. Special thanks to all who made this God inspired event a joyful, blessed and memorable day. God continues to shine down on our PVUMC Christian Preschool.

"Tom" Telephone Outreach Ministry Our GOAL is to offer support by discussing your health issues or questions that you may have, especially-but not only-when you or a family

member were recently sent home from a hospital, rehab, skilled nursing facility or even after outpatient ambulatory surgery.

If you let the church know that you have been admitted to the hospital, please expect one of the nurses from the Wellness Committee to telephone you when you are home. One out of every 5 people who are discharged from the hospital is readmitted within 30 days and we would like to be available to discuss any questions or concerns you may have after your hospital discharge. If you do not want us to call that is alright, but we want to reach out in case there is something we can be helpful with. The Wellness Committee can also arrange a home cooked meal available to help lessen the challenge of recuperating after discharge

Call our TOM TEAM of PVUMC Wellness Committee Suzanne Evans RN at 412-913-5825 or Norma Saputo RN at 412-860-6768 If you get a voice mail, be sure to leave your name, call back number, and reason for call. Someone will call you back ASAP.

The Wellness Committee welcomes all participation and ideas on how to better serve you during our present time of social distancing. Please call the either Karen at our church office

(412) 672-7289, or Suzanne Evans (412) 913-5825 and Norma Saputo (412) 860-6768 so we can support you!
